## **Zoning Condition Release: ZON04-00120**

### **General Information:**

Ordinance No. 8993, dated April 14, 1987, rezoned with conditions the property as A-2/sc (Apartment/special contract). The following conditions were imposed by the City Council in order to approve the rezoning:

- 1. Any apartments constructed on Parcel 2 shall be limited to one story in height*
- 2. Within ninety (90) days of approval of the zoning change, a subdivision plat must be filed of record.*

- 4. The property owner must provide a fifteen (15) foot wide landscaped area across the entire front of the property adjacent to Socorro Road, within ninety (90) days of approval of the rezoning request by the Mayor and City Council.*

The applicant is requesting that condition #1 as stated in Ordinance No. 8993 be removed.

The property is currently zoned A-2/sc (Apartment/special contract). The site is currently vacant and is 3.58 acres in size. The proposed site plan depicts a two-story apartment complex to be accessed from Socorro Rd. The applicant is requesting a release of condition #1 as stated in Ordinance No. 8993 in order to permit two story apartments on the entire portion zoned A-2/sc (Apartment/special contract) and a portion in C-4 (Commercial).

Although the proposed use is in accordance with and in furtherance of *The Plan for El Paso* and A-2/sc (Apartment/special contract) zoning district permits **two-story apartment development**, such proposal will not be compatible with adjacent development.

Based on the decision by the City Council to limit apartment development to one-story buildings
